# COOKIES

The text size is 1rem and uses a Monserrat Regular style. It will change to Bold the words "funtional cookies".

The pop up will always occupy 60% of the screen width. It will be 10% of the bottom margin of the screen.

The icon, text and button are centrally aligned in landscape format.

COOKIES

When the screen width is less than 1280px, the format becomes more vertical.

This format is placed in the centre of the screen, both vertically and horizontally.

The text is also centred aligned, and all components are also centred vertically.
